No orders will be accepted after this date.

**It is preferred that you fill out your order on the Excel Price List and send it to your group leader via email. This helps minimize mistakes, and saves lots of time for everyone involved. It is VERY easy to do also. : ) Please use the Excel Spreadsheet if you can!!! Email me or your Group Leader for a copy if you need one.**

**Delivery**

Delivery for this order is planned for sometime in the summer 2010. We will not know until we turn in our order.

**Unloading**

These orders come on a semi truck, and the food will have to be unloaded. Please be willing to come and help on delivery day or have someone cover it for you. We have an organized system for unloading, and if followed, unloading and distributing will be quick and easy.

**Small UPS Orders**

For those wanting small UPS orders, please contact me, and I can help you with that. Shipping is more expensive with UPS, but a great option for those wanting food quickly.
